The Syllabus for the Intermediate and Final Examinations has been revised to be effective from July 1971 examinations. The Eleventh All India Cost Conference organised on behalf of the Institute by the Western India Regional Council was held at the Taj Mahal Hotel, Bombay, on 21st, 22nd and 23rd December 1968. The main theme of the Conference was "Profit Squeeze". The Conference was inaugurated by Shri S. Ranganathan, ICS, Comptroller & Auditor General of India. The Conference was well-attended and the number of delegates participated in the Conference exceeded 1200. The Conference was preceded, for the first time, by an Industrialists' Meet and was followed by an All India Students' Convention. There were three Technical Sessions in the main Conference. The First Session on "Productivity and Profits" was presided over by Shri V. C. Patel, Chairman, Central Bank of India Ltd., Bombay. The Second Session on "Cost Audit" was presided over by Shri Satish Chandra, ICS, Chairman, Fertilizer Corporation of India Ltd., New Delhi. The Third Technical Session on "Containing the Cost" was conducted under the able Chairmanship of Shri A. P. Ghandy, Financial Director, Glaxo Laboratories (India) Ltd., Bombay. The Industrialists' Meet was held with Shri Neville N. Wadia as Chief Guest and was attended by eminent Industrialists. The All India Students' Convention, the first of its kind in the annals of the Institute, was inaugurated by Shri Bipin V. Mehta. The entire proceedings were lively. The Social Events were also well-organised and well-attended.

REGIONAL CONFERENCE

The first Regional Cost Conference was held at Madras on 1st and 2nd March 1969 organised by the Southern India Regional Council. The Conference was inaugurated by Shri M. V. Arunachalam, Managing Director, Tube Investments of India Ltd. The Technical Sessions were conducted under the able Chairmanship of such eminent persons drawn from the industry

as Shri M. Rama Brahman, Managing Director, Madras Refineries Ltd. and Shri K. Easwaran, Managing Director, Easun Group of Companies. The Central Council provided financial grant to the Southern India Regional Council to meet the deficit of the first Regional Conference.

SEMINAR

A two-day Seminar on Cost and Management Accountancy in Public Sector Undertakings organised by the Institute in collaboration with the Bureau of Public Enterprises was held at Vigyan Bhavan, New Delhi, on 3rd May 1969. Delegates from various public sector undertakings attended the Seminar. The Seminar was inaugurated by Shri Morarji Desai, Deputy Prime Minister of India. Due to the sudden and sad demise of Dr. Zakir Husain, President of India, the Seminar had to be suspended. It is proposed to resume the Seminar on a future date.

JOURNAL

The Journal of the Institute has completed another of its useful Volume. Thanks to the active and sustained co-operation of members, the standard of the Institute's Journal has been further improved. The Council records its appreciation of the support given to the Journal by contributors by their interesting, educative and valuable articles and also of the services rendered by the members of the Editorial Board.

The Council has under its consideration the issue of the Institute's monthly Journal compulsorily to all Registered Students from April 1970. Necessary amendments to the Regulations are being proposed in this behalf.

RESEARCH

The Council is happy to report that considerable progress has been made in the Research Projects undertaken by the Institute. Some of the projects are nearing completion and are expected to be published in the course of the current year.

FUTURE OF ACCOUNTANCY PROFESSION IN INDIA

The Joint Committee on the Future of Accountancy Profession in India, set up at the instance of the Central Government, as reported last year, submitted its Report. The Joint Committee by majority had advocated in its Report the integration of the Institute of Cost and Works Accountants of India with the Institute of Chartered Accountants of India. Before the contents of the Joint Committee's Report were released, the Council of the Institute at its meeting held on 16th May 1968, in deference to the express opinion communicated by the members, Regional Councils and Chapters on the fundamental question of amalgamation of the Institute with the Chartered Accountants Institute, came to the conclusion that it would not be in the interest of the Institute or its members and students to amalgamate and accordingly decided to revoke its earlier decision. Later the Council at its meeting held on 15th September 1968, considered the Report of the Joint Committee and unanimously decided to reject the Report and the recommendations made therein. The decision of the Council in rejecting the Report in toto was also communicated to the Central Government.

COST AUDIT

Members are aware that the Central Government has framed Rules under Section 209(1)(d) of the Com-

panies Act relating to maintenance of cost records in respect of industries engaged in the production of (1) Cement or Clinker or both, (2) Cycles and components thereof, (3) Rubber Tyres and Tubes for all types of vehicles, (4) Caustic Soda, (5) Room Air-Conditioners, (6) Refrigerators, (7) Storage Batteries for automobiles, (8) Electric Lamps or Fluorescent Tubes or both and (9) Commercial and Passenger Motor Vehicles including Motor Cycles, Scooters, Mopeds and Three-Wheelers. These Rules have become effective from the respective specified dates. The Central Government has also notified the form in which cost audit reports are to be drawn up.

As mentioned in the last year's Report, the Council communicated its opinion to the Central Government that Section 233B of the Companies Act does not make it obligatory on the part of the Central Government to prescribe qualifications for Chartered Accountants for becoming eligible to conduct Cost Audit nor is it necessary to prescribe such qualifications when the number of practising Cost Accountants will be quite adequate to cope with the volume of Cost Audit work.

The Council is happy to inform that the Central Government has under Section 233B(1) of the Companies Act ordered Cost Audit in the class of companies manufacturing Cement or Clinker and Cycles and components thereof. The Council is also happy to note that presently only a Cost Accountant within the meaning of the Cost and Works Accountants Act, 1959, shall be eligible for appointment as auditor under that Section.

With a view to providing guidance to the members of the profession, the Council has decided to bring out publications on each of the industries which fall under Cost Audit. Two booklets on this series, one on Cycle Industry and other on Cement Industry, have already been published. Work relating to other industries is in progress and it is expected that booklets on a few more industries will soon follow.

The Council is happy to note that there has been a steady increase in the number of members holding Certificate of Practice. The Council is confident that members will come forward in greater number to opt for public practice and strengthen the profession.

A list of members of the Institute holding Practising Certificate as at 31st March 1969 was published and sent to all Regional Directors of Company Law, Registrars of Companies, and all units of Cement and Cycle industries.

Two more pamphlets, under the caption of "You and the Practising Cost Accountant" and "Profitably Yours" were also brought out and circulated to all Chambers of Commerce and Industry, and different units of various industries.

RECOGNITION UNDER INCOME TAX AND ESTATE DUTY ACTS

The Council is happy to inform that the Central Government has recognized Cost Accountants as eligible

persons to represent cases of income-tax on behalf of their clients under Section 288(2)(v) of the Income-tax Act, 1961. Also Cost Accountants have been recognised to act as Valuers under Section 4(3) of the Estate Duty Act, 1953.

COST CERTIFICATION

The Controller of Imports and Exports has accorded recognition to a Cost Accountant to certify the total c.i.f value of imported raw materials and components (not spare parts) consumed by units engaged in priority of other industries for the purpose of providing facilities to the units under the import policy for 1969-70.

RELATIONSHIP WITH GOVERNMENT

The Council is happy to report that the relationship between the Institute and the Central Government and various State Governments has always been and continues to be cordial. The Council records its appreciation of the various steps taken by the Central Government in fostering cost consciousness in industrial circles.

Good and close relationship also exists between the Institute and various national bodies such as National Productivity Council, State Productivity Councils, All India Council for Technical Education, All India Manufacturers' Association, Chambers of Commerce, etc.

SILVER JUBILEE OF THE INSTITUTE

The Institute of Cost and Works Accountants, which was set up as a corporate body by a few far-sighted persons, has completed twenty-five years of its useful existence. It was on 14th June 1944 that the Memorandum and Articles of Association of the Institute, then a Company under the Companies Act, was signed and registered.

The Council decided to observe 1969 as the Silver Jubilee year of the Institute and follow a phased programme spread over a number of months.

The Celebration commenced with its inauguration at Calcutta by Shri Ajoy Kumar Mukherjee, Chief Minister of West Bengal, on 14th June 1969. Founder members and past Presidents of the Institute, Shri G. Basu, Shri J. N. Bose and Shri D. D. Kalra addressed the gathering.

It is proposed to organise Seminars and Conferences at various centres in the country as part of the Silver Jubilee Celebrations, to be concluded by the main function at Calcutta in the winter of 1969-70, with which it is proposed to synchronise the next All India Cost Conference.

RELATIONSHIP WITH EMPLOYEES

The Council is happy to report that the employees of the Institute continue to be cooperative in all matters connected with administration. The Council records its appreciation of the zeal, devotion, loyalty and sincerity

with which the employees have been carrying out their duties and responsibilities.

ACCOUNTS

The Audited Accounts of the Institute for the year ended 31st March 1969 are annexed together with the Auditor's Report. The accounts show a net revenue deficit of Rs. 67,808.00 at the year end. The main reason for this deficit is the rising cost of all factors year by year without additional revenue income from available sources. The Council decided to take certain concrete measures to bridge the gap. In the opinion of the Council the financial position of the Institute continues to be satisfactory in spite of the deficit in the year under review.

The accounts were audited by Shri S. N. Banerjee, Chartered Accountant.

GENERAL

The headquarters of the Institute at Calcutta was visited by many important persons including Shri R.

Prasad, ICS, Secretary to the Government of India and Chairman, Company Law Board, Shri N. K. Bhattacharyya, Director of Commercial Audit, Shri S. Venkataraman, Director of Investigation & Inspection, Company Law Board, Shri G. L. Bansal Secretary-General Federation of Indian Chambers of Commerce & Industry, Shri G. N. Gabell, President and Shri J. F. Phillips, Secretary of the Chartered Institute of Secretaries, London, and Shri R. Glendinning, President and Shri M. H. AUDITOR'S REPORT

I have audited the attached Balance Sheet of the Institute of Cost & Works Accountants of India as at 31st March 1969 and the annexed Income & Expenditure Account for the year ended on that date.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

The Balance Sheet and the Income & Expenditure Account dealt with by the Report are in agreement with the books of accounts.

In my opinion, the accounts are maintained in conformity with the requirements of the Cost & Works Accountants Act and Regulations, 1959.

In my opinion and to the best of my information and according to the explanations given to me, the statements of accounts give a true and fair view :

- in the case of the Balance Sheet, of the state of affairs as on 31st March 1969; and
- in the case of the Income & Expenditure Account, of the 'Deficit' for the year ended on that date.
